

**Benny Yapyuco Para - Sailing during his birthday (2008)cruise**

Happiness is real when shared. Benny is sharing his thrill and joy.

To all who wished him the best birthday, and to his friends here is what Benny Yapyuco wrote us:

"Dacal salamat keng thoughtfulness yu. Also your wishes and prayers. We really have to get together on February 2010. We are not getting any younger.

"Our birthday cruise turned out to be very productive. I was able to accomplish one thing from my "Bucket List".

Love you all !!!!!"
